What is PayForIt?

PayForIt (PFI) is a Secure Online Payment system which simplifies payment, collection and balancing of funds for School Districts. It enables parents to pay fees and fund accounts quickly and easily online. PayForIt allows parents to opt into and manage email reminders about their student's accounts.

Benefits

- There is not a chance of lost lunch money from home to the serving lines!
- Payments can be made by credit card 24 hours a day, 7 days a week, at the parents convenience.
- Parents can review what their students are actually purchasing along with account balance information.
- PFI supports increased communication between the school and the parents.

Features

- Parents can opt to receive an email when a student balance dips to a certain threshold (set by the parent).
- Parents can opt to use an automatic payment feature which replenishes their student account(s) when a balance dips to a specific level (specified by the parent).
- School messages are sent automatically via email to parents.
- A continuous online survey is provided to monitor parent feedback and ideas.
- Student information is automatically transferred from year-to-year and from school-to-school.
- Parents can manage more than one student account.
- PFI ensures all data is safe and secure as defined by the industry standards

How It Works

Register:

A parent or guardian completes the online form that includes their credit card information. An email with a validation code is then sent to the email address that was entered during the registration process.

Validate:

The parent or guardian enters the validation code that is emailed to them which activates their account.

Add Students:

Once a registered PayForIt member, the parent or guardian can begin to add students to their account and begin funding their meals. To accomplish this, you must know your child's student ID number, school and grade. If you do not know your student(s) ID number you can call the school and we will provide it to you.

Deposit:

Using the Make Payment page, you can now deposit money into any or all of your student's accounts via credit card or e-check. Money deposited before midnight will typically be posted by the following morning.

How to Sign Up

Log on to www.payforit.net

Select the “Sign Up” option from the menu. The screens will guide you through the process to establish your account:

1. The internet convenience fee is explained, it is 3.95% per transaction for credit card and a flat fee of \$1.75 per transaction for ACH.
2. You will be prompted to create your contact data, password, payment information, etc.
3. You will need to indicate which student(s) to attach to your account. Students are already loaded in the PFI system. PFI utilizes the same student ID number already used throughout Totowa functions. If you are unsure of your student’s ID number, please contact the main office of your child’s school.
4. Once all information is entered, PFI will email a validation code for you to confirm the registration. Once confirmed, you can begin using PFI.

Help / FAQ

How to get help

How Do I ...

Each major function used in PFI, has online help available under the menu option of “How Do I ...” The “How Do I” provides step by step instructions as well as screen examples.

When starting to use PFI, it is a good idea to review the Frequently Asked Questions (FAQ) available within the Help menu option.
