Transportation Verification

August 2016

Dear Parents/Guardians,

In order to help ensure the safety and well being of all students at Memorial School we need to have accurate information as to how each child is transported to and from school. Please complete the necessary information below and return it to school with your child on **September 9th**, so that we can compare it with our current information. Bus numbers can be found on your Contact Information sheet.

In addition, please be reminded that walkers are not permitted to ride a school bus and bus students may only ride their assigned bus. A note is needed any time there is a change in transportation.

Also, please be reminded that the Laurel Grove Cemetery is private property. Parking for drop off and pick up is not permitted there.

Thank you in advance for your cooperation.

Sincerely,

Joseph Compel
Principal
