Dear Parents/Guardians:

The Totowa Education Foundation is preparing for the 2021 Summer TPK Kops 4 Kids and Summer Kops 4 Kids programs. We will continue to utilize online registrations for both programs. The online forms can be accessed with the following link. <https://www.surveymonkey.com/r/N6FLN7W>

The information on the forms, available via the link above, are exactly the same as the brochures available for view on the Totowa Education Foundation's link on the Totowa School District's webpage. The brochures on our webpage include the updated fee schedules. Please complete a form, in its entirety. If you have multiple children enrolling you may use one form unless there is specific medical information that needs to be completed. If so, we ask that you complete a separate enrollment form for each child.

New this summer, The Totowa Education Foundation will also be using survey monkey to fill out the weekly coupons for the program. All scheduled weeks have been assigned a separate link. Coupons must be completed for each week of enrollment. If you know your future schedule you can fill out the forms in advance. Payments will still be due by the due date per week. Please see each week's coupon below.
