Dear Parents/Guardians:

In an effort to help all parents with our new technology, we have now created a weekly virtual technology meeting. During this meeting, I will introduce you to the programs your child uses during the school day and also help you with some common questions we have been receiving.

Please join me every Tuesday from 4:00 – 4:15 PM starting this Tuesday, October 20th. All meetings will be recorded and presented on our Technology Help webpage at <http://totowa.k12.nj.us/techhelp.html>

You can join the meeting through the following link
