Celebrating "Abilities Awareness Week"

March 30th-April 3rd

In support of the effort to increase awareness about all people with challenges, students will focus on acceptance of others with different abilities. The goal is for our students to become more respectful, sensitive and tolerant in order to provide a welcoming community for all people, regardless of differences.

Monday March 30th: The Puzzle Piece Project: All students can decorate a puzzle piece (see below for the template). If you do not have a printer you can draw your own!

Tuesday, March 31st: Celebrate your style by wearing something that makes you unique!

Wednesday, April 1st: Promote peace by dressing in tie dye or bright colors.

Thursday, April 2nd: "Light It Up Blue" for Autism Awareness by wearing blue. Make a blue ribbon (see attached template) and hang it on your front door. If you do not have a printer you can draw your own!

Friday, April 3rd: Bubbles are symbols of joy, hope, and laughter. Draw a picture of yourself blowing bubbles to symbolize bursting stereotypes and bringing acceptance and awareness to those who are different.

**With permission from an adult, take pictures of your projects and/or
yourself and e-mail them to**
