Mystery Science

-A Link will be provided in One-Note Science folder.

-Students will click on the assignment and will follow through the assignment just like we have done in class before.

-Questions posed in the mystery should be answered in One-Note Science folder where the Mystery link was posted.

Spelling training

<https://www.spellingtraining.com/>

- Students can enter and save their weekly spelling words into the word list from the Lesson that is assigned on One Note. Word List can be found in the Reader's notebook that corresponds to the Lesson number.
- Students should practice like they are familiar with, through online practice games.
