6th Grade Period 2

*Please note that all assignments will be counted and graded for the marking period. Any incomplete assignments will be marked as so within the gradebook. Thank you.

Reading Online Assignments

In this unit, students will read 6 poems that speak to the theme of creating an identity. Throughout the unit, students will revisit the essential question: How do we forge an identity? Students will read thematically-paired poems from CommonLit and complete a graphic organizer that will help them track their own understanding of this theme to prepare for a literary analysis essay.
