Dear Parents/Guardians:

On the evening of June 6, 2018, we will be hosting a "Third Grade Parent Orientation" at 7:00 P.M. in the Washington Park School gym. Our program has a twofold purpose. First, we will provide you with information about our school and the programs we offer. Second, you will experience a tour of our school facilities and the third grade classrooms where you will enjoy a brief presentation by our third grade teachers. We hope the information presented will provide you with a clear understanding of the goals of our school community.

Our administration and faculty are eager to make the transition into third grade successful for all of the children. This is a very exciting time for you and your child as their journey through elementary school continues.

Please be reminded that this orientation is only for parents/guardians. The students will have their own orientation at the start of the 2018-2019 school year.

Thank you in advance for your cooperation and support. If you have questions at any time, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink that reads "Patricia Capitelli".
