

## February is “Food for Fines” Month!

Borough of Totowa Public Library, along with Little Falls Public Library, & Alfred H. Baumann Public Library in Woodland Park

will be accepting food donations in lieu of fines for the month of February. There is a tremendous need for high protein items such as canned meat, peanut butter, meaty soups as well as baby food, canned fruit & vegetables, and cereal. We are also accepting new personal hygiene items, such as soaps, deodorant, toothpaste, etc.

These items will be collected by CUMAC a local food pantry.

Pet Food will also be accepted to be distributed to local pantries.

Each item overdue can be paid with one food item (non-perishable food only).

This program does not apply to lost or damaged material.
