Dear Parents/Guardians:

In a concerted effort to promote and perpetuate literacy, the Totowa School District has partnered with The Totowa Public Library to ensure that all students in the district receive and utilize a library card.

There are many benefits to your child having a public library card. They will have access to informational and educational resources they need to succeed in school and in life. From hard copies, to e-books, audiobooks, online databases and more, students will also have free access to library staff who can assist in finding relevant material to complete homework assignments, book reports, and research projects.

A FREE card will allow endless opportunities for learning!

This collaborative endeavor is mandatory for all students in each grade level, and one card will travel with each student from one grade level to the next. Each student's card will have an assigned identification number, so re-application is not necessary. Any pre-existing library cards are NOT applicable.

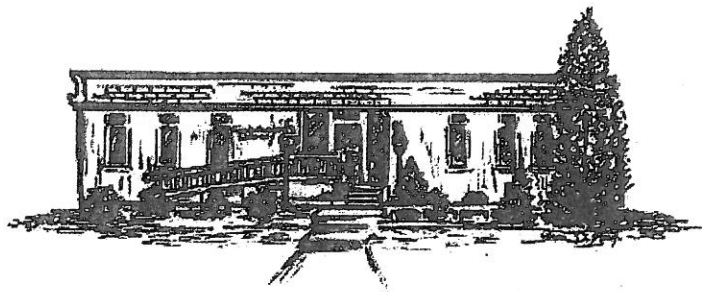

Please complete the application form on the reverse side, and return no later than Friday, January 12, 2018.

Thank you for your continued support! If you have any questions, please feel free to contact me at 973-956-0010 ext. 2001.

Sincerely,

*Patricia Capitelli*
