October 5, 2016

Dear Parents/Guardians of 5th Grade Students:

As part of the district's Family Life Curriculum, the film, "*Always Changing*", will be viewed by all fifth grade girls and boys in the science classes during the school year.

Parents are invited to attend a preview of the film on Wednesday, October 19, 2016 at 6:30 p.m. in the Washington Park School Cafeteria. Our physical education/health teachers, as well as our school nurse will discuss the health curriculum and this program, which aligns with the New Jersey Core Curriculum Content Standards for Comprehensive Health and Physical Education. This meeting is intended to provide information to support and facilitate discussion at home.

If there are any questions or concerns, please to do not hesitate to contact my office or your child's teacher.

Sincerely,

Nicki McGrane
Supervisor of Curriculum & Instruction
