Dear Parents/Guardians,

On Monday, November 6, 2017, students in grades two through seven will participate in the InView Test. Students will test for approximately two hours and make ups will be administered on Tuesday, November 7th.

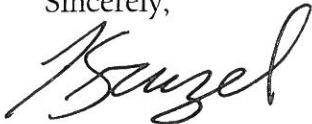

The InView test evaluates your child's verbal reasoning, sequences, analogies, and quantitative reasoning skills. As a part of our comprehensive educational plan for your child, assessments are necessary so that we can provide an educational program that will advance your child both academically and socially/emotionally. While assessments are important, they are not the final indicator concerning any child's ability or prediction of future progress and success.

Please ensure that your child receives adequate sleep and that he/she receives a nutritious breakfast before arriving to school. More importantly, please emphasize punctuality for your child during these test administration dates. Students who arrive late will not be permitted to enter the classroom until testing is finished.

If you have any questions regarding testing, please call 973-956-0010, ext. 3002 and I will be happy to assist you.

Thank you.

Sincerely,

Jonathan Kruzel
Vice Principal
