Re: Emergency School Closing Information

In the event of a severe storm resulting in hazardous road conditions and/or other crisis, parents can check the status of school closings/delays by:

1. Our automated phone system will call the phone numbers that you submit on your child's Contact Verification Form in September 2020 providing you with updated school closing information.
2. Calling the main school number 973-956-0010 and choosing the first prompt (school closings).
3. Logging on to the district website: www.totowa.k12.nj.us.

The 2020 -2021 Parent Handbook located on our website, under *Quick Links*, contains all of the important information relative to school closings.
