Dear Parent/Guardians of Students in Grades 3-8:

The Totowa School District has recently received notification from the State of New Jersey Department of Education regarding the administration of the New Jersey Student Learning Assessments (NJSLA). This year, there will be no spring administration of the NJSLA in English language arts, mathematics, and science.

Start Strong, a new state-mandated assessment, will be administered in the fall of 2021. This assessment will be administered to all students in English language arts grades 4 through 8, mathematics grades 4 through 8, and in science grade 6. More information regarding these assessments will be forthcoming.

If you have any questions, please feel free to contact me.

Sincerely,

Patricia Capitelli
