Celebrate Abilities Awareness Week

In support of the effort to increase awareness about all people with challenges, students will focus on acceptance of others with different abilities. The goal is for our students to become more respectful, sensitive, and tolerant in order to provide a welcoming community for all people, regardless of differences. Students will also participate in activities in their classrooms in support of this cause.

Monday, April 15th

Students will create diversity fish to be displayed in the hallways!

Tuesday, April 16th

Wear blue to show your support for Autism!

Wednesday, April 17th **Promote peace by dressing in tie dye!**

Thursday, April 18th

Wear something that makes you unique!
