Chief School Administrator

Michael O'Brien
Principal

September 28, 2016

Dear Sixth, Seventh, and Eighth Grade Parents and Guardians:

Washington Park School is organizing after school traveling basketball and volleyball teams for students in grades 6, 7, and 8, and intramural volleyball teams for students in grades 5, 6, 7, and 8. A student interested in basketball MUST try-out. All students interested in volleyball will be accepted. If your child is interested in participating in either one or both of these programs, it is imperative that parents/guardians complete the attached "Health History Questionnaire" and the physician provide a physical examination and complete the attached "Physical Examination" form (*forms can also be found on the parent portal*).

You are encouraged to take your child to the doctor of your choice. If you choose this option, please have your doctor complete the entire form, parts A & B, and return the completed form to school by October 21, 2016.

A sports physical may also be performed in school by Dr. Salvatore Conte on one of the scheduled physical days in the presence of Ms. Luciano, the school nurse. If you choose to have the physical done in school then return the completed form, part A, signed in the necessary place, to school by October 14, 2016 so that we may schedule the appointments (*part B will be completed in school by the school physician*). The "Interest" form below should also be returned by October 14, 2016 even if you are having the physical done by your personal doctor. If you have any questions or concerns, you may contact Ms. Luciano at 973-956-0010 ext. 2200.

Sincerely,

Michael O'Brien
Principal/Athletic Director
Washington Park School

BASKETBALL AND VOLLEYBALL INTEREST

Please check one:

My child is interested in participating in BASKETBALL ONLY.

- *Grades 6, 7, 8 during the months of November, December & January*

My child is interested in participating in VOLLEYBALL ONLY. (Please indicate Travel or Intramural below)
