Dear Fifth Grade Parents and Guardians:

This is to inform you that the New Jersey Department of Health and Senior Services (DHSS) revised the administrative rules, N.J.A.C. 8:57-4, with substantive changes to include the requirement of four new vaccines for school, preschool and licensed child-care center attendance.

Below you will find the vaccines that are **required** for all students (11 years or older) entering sixth grade.

You must provide documentation of these two immunizations (see below) by August 23, 2023, for your child to be enrolled in the sixth grade for the 2023-2024 school year.

Please have your Primary Care Provider (PCP) complete the detachable form below and submit it to the school nurse.

Thank you for your prompt attention to this important matter. If you have any questions, please call Mrs. Jennifer Schweighardt, school nurse at Washington Park School at (973) 956-0010 ext. 2200.

Sincerely,

David Bower
Principal
