Dear Parents/Guardians:

Washington Park will hold our annual Back to School Night on Thursday, September 21, 2023. This evening is designed so our teachers can review their curriculum, as well as their classroom expectations for the upcoming school year.

**Be advised this evening is for parents/guardians only, no children please. If you choose to bring a child with you, you will not be permitted to enter the building. We have constructed the schedule for this evening to allow parents to meet with as many teachers as possible.**

After entering the building, proceed to your respective location detailed in the schedule below. In the hallways, there will be students who will be able to assist you with directions.

Back to School Night is designed to familiarize you with Washington Park's daily schedule, teachers, and facilities. You will have the opportunity to follow in your child's footsteps through the evening's schedule. Specific questions relating to your child's academic progress can be addressed with your child's teacher through email or by calling to make an appointment. Unfortunately, these concerns cannot be addressed at Back to School Night due to time constraints.

**Please be reminded that Thursday, September 21, 2023, is a 1:20 P.M. dismissal day.**

Parking will be available across the street from the gymnasium, and parents will only be able to enter the school through the gymnasium doors or the front doors.

I look forward to meeting you during this program.

Sincerely,

David Bower  
Principal
