

TOTOWA PARENT TEACHER ORGANIZATION, INC.

WHAT? eWallet is a secure, cash-free, digital payment option.

WHO? Parents create an account for their student and set a spending limit. Teachers can set up an eWallet and share the link with classroom parents who can donate funds to help build their classroom library.

WHERE? Students use their eWallets to shop the in-school Book Fair.

WHEN? Parents can set up eWallets as early as two weeks prior to and through the last day of your in-school Book Fair. Students can shop with their eWallets any day of the fair. Once the fair ends, any funds left in the eWallet become a gift card balance that can be used online at Scholastic or used to fund an eWallet for a future Book Fair.

WHY? Parents don't always have cash on hand. (Also sometimes kids misplace their money.)
