November 2, 2022

Dear Parent/Guardian:

The Totowa Board of Education is happy to announce the appointment of Mr. Frank Pignataro as your child's fifth grade math teacher. I know you will all join me in welcoming Mr. Pignataro to Washington Park School. As always, Mr. Pignataro and I will be readily available to meet with you to discuss your child's progress.

I am looking forward to working with you and your child during the school year. Please do not hesitate to contact me if you have any further questions or concerns.

Sincerely,

Mr. David Bower

cc: Ms. Patricia Capitelli, Chief School Administrator
