Chief School Administrator

David Bower
Principal

May 1, 2023

In order to determine placement for the upcoming school year, the district uses multiple measures as part of its criteria to determine eligibility. Students will be participating in testing over the next several weeks for placement purposes.

During the week of May 22, students in ELA and Math will be administered the third LinkIt Benchmark assessment. From May 31 through June 5, students will be administered the Totowa Proficiency Assessment in ELA and Math. Both assessments are aligned to the New Jersey Student Learning Standards and are skill-based assessments.

Please make sure during this time your child has a good night's rest and a good breakfast.

Sincerely,

David Bower
Principal
