

Totowa School District

Breakfast Program

Offer versus serve (OVS) is a policy for reimbursable meals that allows students to decline a certain number of food components in the meal in order to reduce plate waste and food cost. A school breakfast eligible for federal reimbursement shall offer four (4) food items from the three (3) food components in the appropriate amounts per grade grouping:

Fruit or vegetable or juice, Milk, Grains

Including optional meat/meat alternate) Students are allowed to decline one (1) of the four (4) items offered.

The student's decision to accept all four (4) food items or to decline one (1) food item shall not affect the price charged for the meal.

Breakfast is priced as a unit. If children do not choose enough food items to comprise a reimbursable meal, a la carte prices will be charged. School staff cannot make exceptions to the policy, such as requiring every child to take a particular food component.

It is the student's choice to select any three or all four food items of the reimbursable meal. At each school implementing the Offer versus Serve Policy, school food service staff will be trained annually. Select one:
